### SCHOOLS OF CITY FACING A CRISIS

Rapid Growth of Tulsa action, 20 referen in relational Calls for Enlarged Buildings.

### SALARIES TOO SMALL

Teachers Receive More Pay but Landlords Take Increase in Rentals.

Elizabetal needs of the Thiese actions system was the subject of discus at elon at the regular meeting of the the Tirling City cius field at noon yearer. day in the domestic science depart. ment of the Central bigh school 11 O. McClure, president of the board. of education, was the priority-

In order to meet the demand for West the enlargement of the bigh school at the building grade schools nationaless the of school property and the employ to ment of additional less have at the scale reased and according to the school of the s \$1,000,600 bond lavve, most M- M-

me. McClare said. He declared that the same question.

The wages given teachers here was the same question.

The Associated From the statement from the subset of the same question.

The Associated From the statement from the statement from the subset where more pay calling forth the statement from was offered and where they could Mr. Mailoy is as follows:

"We must pay our teachers a thrift wage if we hope to retain them, but

"We must pay our teachers a thrift wage if we hope to retain them, but at present we are not even paying them a living wage," dechared E of the fact that they began paying them on a 12 month a year basis.

Janitors in the grade scheels are receiving more wages than most of the teachers it was brought out in the discussion, and there is no aind of work at which the educated man connot earn better salaries than at teaching.

Twechers Want a Home.

Ray Fellows said that the recent raise in wares had been rendered instinctive because the people in the vicinity of the schools had immediately raised the price of rooms. He declared that one solution of the problem could be had if the business man of the city would offer the teachers rooms in their homes at reasonable rentals.

W. M. Williams of the Union National bank said he had opened his home to two teachers must have homee if we hope to retain them."

The waste in a great difference between a room and a home to two teachers must have homee if we hope to retain them."

The waste in the producers the scribe to investigate concerns were practically on even tends that they know of 60 of their fellow teachers who intend to resign in January because they will no longer put up with present living conditions. There is a great difference between a room and a home to two teachers must have homee if we hope to retain them."

The must go of the scribers at the missing that they know of 60 of their fellow teachers who intend to resign in January because they will no longer put up with present living conditions. There is a great difference between a room and a home to two teachers must have homee if we hope to retain them."

The waster of contracting that they know of 60 of their fellow teachers who intend to resign in January because they will no longer put up with present living conditions. There is a great difference between a room and a home.

The must go producers were instructed to producers where the strike to producers who have indicated in producers that the living con omes if we hope to retain them."

A hulletin issued by Superintendent Oberholizer miggested that comfortable homes, not rooming places, be provided by club houses and lodges, built by private capital and conducted on the supervisory-matron

Richard Lloyd Jones, editor of Richard Lloyd Jones, editor of The Tribune Democrat, was called on by President W. O. Buck for a dis-cussion of the value of good schools. Musical numbers were supplied by a picked chorus from the bick school how give club under the direction of Walter Schoggen, formerly of Uni-

versity of Oklahoma.

The annual election of directors and members of nominating committee was held board of governors Mark E Carr, expitalist; John M. Clover, oil producer: Theodore Cox, real estate dealer, Frank A. Haver oil producer; liov C. W. Kerr, pastor Frest Presbyterian church; E. E. Oberholtzer, superintendent city schools, Dr. C. Z. Wiley physician: Harvey M. Young, gasoline and oil husiness. The nominating committee for 1920 chairman, Alva J. Niles Charles Labrean, P. F. Perkins, F. W. Perry, George E. Reeves, P. O. Smith, C. H. Terwilleser.

Officers of the cub will be chissen by the board of governors at a meet. by the board of governors at a me-ing this week and announced Safu day at the nonday luncheon

### This Is One of the Best Shows We Have Offered

Dobson and His Sirens in Kansas City

From the Kansas City Star:

"It's fortunate Frank Dobson and his 13 sirens are on this week's bill at the Orpheum. Here is a musical comedy that is good-very good. You'll like Mr. Dobson, even without his company. He is good looking, has stage presence, sings like Al Joison and dances in a way Joison

Dobson and His Sirens in Chicago

From the Chicago Correspondent of the Billboard:

(Of the Appearance at the Palace Theater) "Frank Dobson and his 13 sirens gave a muspiced by comedy of the irresistible Dolson, seconded by Falalie Young, who is a court. Lerrone of the chorus is a siren who knews how to an dance and sing. One of the best acts of the king
